

# Slope investigation on Spit Road, Mosman

## Community notification

September 2025

Transport for NSW acknowledges the Borogegal and Cammeraigal people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will carry out essential road maintenance work on Spit Road, Mosman from 15 September

### What work are we doing?

We will be investigating the location of utilities and services as part of the design and preparation for upcoming slope remediation work at **187-189 Spit Road, Mosman**.

Please refer to the location map over the page.

Our work will include:

- working in the left lane on Spit Road, southbound towards the city
- locating underground services by cutting small sections into the footpath and digging using a vacuum truck
- the excavated surfaces will be temporarily restored after each shift.

### When we'll be working

We will be onsite for up to **three nights** between **Monday 15 September** and **Friday 3 October 2025**, weather and site conditions permitting.

Our work hours will be between **8pm** and **5am** from **Sunday** to **Thursday**.

We will not work on Friday nights, Saturdays, or public holidays.

Our work needs to be carried out at night to minimise traffic disruption and reduce safety risks to workers and road users.

If you have any concerns about our work, please contact our delivery partner, ConnectSydney, as detailed over the page.

### What will this mean for you?

You may notice:

- workers and vehicles
- traffic controllers and signage
- lane closures and reduced speed limits
- pedestrian detours with traffic controllers on site to guide you
- noise from machinery and equipment.

### Managing our impacts

We appreciate that road work can be disruptive, and steps will be taken to minimise our impacts. This includes:

- reducing our noise as much as possible
- turning off equipment when not in use
- positioning equipment away from homes and businesses
- completing noisier tasks by midnight.

### Temporary traffic changes

- You may notice temporary traffic changes during work hours of 8pm-5am to ensure the work zone is safe.
- We will ensure access to residential properties in and near the work zone is maintained.
- Please keep to speed limits and follow the direction of traffic controllers and signs.
